

# Kristina Vasic Lika

## SUMMARY

- The youngest awarded saxophonist in Serbia
- The most successful and most known young saxophonist in Serbia
- The most successful student in hometown music school in history
- The hometown's youngest owner of a gold plaque for city contribution!
- The youngest finalist of "Virtuosos Talent Show" from the beginning
- The youngest winner the of prestigious award for coulture and arts "Svetislav Milić"
- Student of 2022 in Serbia by "Vukova zadužbina" publisher
- Winner of all competitions with maximum 100 points, with laureate title

## MAIN GOAL

To create condition for Kristina to have classes and basic conditions for development

# MAIN PROBLEMS

---

- Kristina lives in a small town with no conditions for progress
- There are no adequate teachers in her town
- Kristina travels 300km every week to have one class
- And travel 500km every month to have one masterclass
- Serbia gives scholarships only to high or university students
- Wrong value system in country. Talented individuals rarely have help
- Competitions in the country and abroad are very expensive
- Fuel and classes are also very expensive
- Kristina live in family with no high income

# POSSIBLE SOLUTIONS

---

- Constantly looking for sponsors
- Find opportunities for concerts that will attract the attention of media
- Trying to attract the attention of government
- Promote good music everywhere, especially on Social Media
- Show everyone that you can be a rock star in classical music
- Show everyone that hard work always pays off
- Especially to show everyone you can be famous by doing the right thing
- Compete in recognized competitions and show talent and skill
- Respond to every invitation to perform anywhere
- Always have faith and working hard
- **Never give up!**
